

Furnished  
for Good

**SPONSORSHIP  
PROPOSAL**

# ABOUT THE EVENT

**Furnished for Good** is a one-of-a-kind auction showcasing the creativity of local artists and designers who take inspiration from our event theme to create original works of art or recreated furniture that will raise money for Pathways to Housing PA and the Philadelphia Furniture Bank.

The artists' pieces are available for bidding during our virtual silent auction, which also includes gift certificates and other unique experiences. This silent auction concludes with an in-person cocktail event on Friday, April 24, 2026 at NextFab to celebrate our impact and raise additional funds.

By supporting **Furnished for Good**, you are generously helping to fulfill our mission to empower unhoused people with disabilities to reclaim their lives through providing stable housing, supportive services, and a caring community. **Learn more at [pathwaystohousingpa.org/FFG26](https://pathwaystohousingpa.org/FFG26).**
